

Want to become an Eco-Collaborator?

Join the planet protection team and be an Eco-Collaborator. Have you created a great video or written an article that will have a positive impact and teach people on how to be more green? Let us know, we would love to share.

Criteria:

Your video or article must educate people to live a greener, more sustainable life. It must be upbeat, positive and beneficial. It must fit into the following criteria:

Video It must be...

- good quality lighting and sound (doesn't have to be professional)
- in English
- clearly spoken and to the point
- entertaining
- mp3 and not already on youtube
- free of any other website name
- 3.5 minutes or less

Article It must be...

- in good English, free of any error
- around 500 words, more or less
